

November 1, 2018

Dear Generous Donor or Sponsor:

National Student Exchange celebrates our 50th Anniversary Year in 2018. The organization began as three institutions exchanging seven students and has grown into the premier network of colleges and universities exchanging 2,000 students annually throughout the United States, Canada, Puerto Rico, the Virgin Islands, and Guam.

Nearly 120,000 students have taken advantage of affordable NSE opportunities to access new academic options and experience new cultural environments over the last fifty years. With that in mind, we created the *NSE Scholarship Fund* to support students with financial need in their quest to participate in NSE.

How can you help? We seek donations for the Silent Auction that takes place during the NSE Annual Placement Conference in March. Individuals, institutions, and organizations may choose to donate items including gift cards, books, campus clothing, gift baskets, framed artwork, entertainment tickets, or personal artistic creations. NSE Coordinators from our 165 member campuses will bid on these items during the conference with all proceeds directed to the NSE Scholarship Fund.

Your donation will allow us to grow our support for students in your campus community. NSE will continue to expand these efforts by strengthening campus programs, growing exchange participation, and supporting the development of our campus coordinators.

Thank you in advance for your contribution to the NSE Scholarship Fund.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra Sanborn", written in a cursive style.
