November 1, 2021

Dear Generous Donor or Sponsor:

National Student Exchange is the premier network of colleges and universities offering collegiate student exchange. NSE supports the academic exchange of 1,500 students annually throughout the United States, Canada, Puerto Rico, the Virgin Islands, and Guam.

More than 123,000 students have taken advantage of affordable NSE opportunities to access new classroom options and experience diverse cultural environments since our founding 1968. To help students access the program, we created the **NSE Scholarship Fund** in 2018 to support students with financial need in their quest to participate in NSE.

How can you help? We seek donations for our Annual Silent Auction fundraiser that takes place during the NSE Placement Conference in March 2022. Individuals, institutions, and organizations may choose to donate items including gift cards, books, campus clothing, gift baskets, framed artwork, entertainment tickets, or personal artistic creations. NSE Coordinators from our 175 member campuses will bid on these items during the conference with all proceeds directed to the NSE Scholarship Fund.

Your cash or item donation will allow us to grow support for students in your campus community. NSE will continue to expand these efforts by strengthening campus programs, growing exchange participation, and supporting the development of our campus coordinators.

Thank you in advance for your contribution to the NSE Scholarship Fund.

Sincerely,

A handwritten signature in black ink, appearing to read 'Debra Sanborn', with a long, sweeping underline.

Debra Sanborn, Ph.D.
